

Dear Friends:

The members of the Monday Club are proud to announce that our **13th Annual Golf Classic** will be held on Friday, June 23, 2023, at Frog Hollow Golf Club in Middletown, Delaware.

The Monday Club, established in 1876, is considered the oldest Men's Social Club in the State of Delaware. Historically, it is believed to be the oldest in the United States. Through its community outreach programs, the Monday Club provides annual scholarships to Delaware students to assist with their college/university funding.

Although the Monday Club is a social club, it accepts the civic responsibility of providing financial assistance and human services to all worthy causes. To assist in achieving these goals, the Monday Club is partnering with our non-profit arm, the MC917 Foundation, Inc.

We invite you to support our shared vision of creating brighter futures, better educational opportunities, and stronger communities for all by sponsoring the 13th Annual Golf Classic.

We have attached our sponsorship and registration information for your review and hope you will support us. We sincerely appreciate any investment you can make, including in-kind donations, that will help us to continue to provide human and financial resources that advance the social, educational, intellectual, and economic well-being of individuals, families, and other charitable organizations.
